George Peter Amegin : Fulfilling Godrsquo;s Will before purchasing it in order to gage whether or not it would be worth my time, and all praised Fulfilling Godrsquo;s Will:

4 of 4 people found the following review helpful. Amazing what God can do with one manBy C. DeYoungAmazing what God can do with one man. Trying to picture myself in some of the situations described in this book -- just too much to imagine for this a young mother, for their children, for this father. We forget how blessed we are and how free we are to worship in the ways we want. Thanking God for men like this, who followed God's plans for their life and fulfilled his will.0 of 0 people found the following review helpful. A real-life odyssey of epic proportions!By Prof John RobertsFulfilling Godrsquo;s Will is a real-life odyssey of epic proportions. Escaping the growing grip of the dictator Stalin, a Christian pastor shepherds a small flock of family members, often on foot, from the frozen vastness of Siberia. Persecuted for preaching a Gospel that alone can break the communist chains weighing down his people, like a modern Moses he leads his small band, with oxcart and children in tow, first across the cold Russian steppes, then through the searing heat of Chinarsquo;s Gobi desert. Arriving in Shanghai just before its ports close, ragged but unbowed they prepare to cross an unknown sea, with only the promise of a land of freedom on the other sidemdash;and Godrsquo;s unfailing and often miraculous interventions in getting them there. This is a book which should be in the library of every Christian school, Bible Institute and Seminary! Fulfilling Godrsquo;s Will is full of adventure, unwavering faith, and the power of the Gospel to open every path, and overcome every foe, in search of that place to which God has called us.Dr. J.P. Roberts HaineProfessor of Systematic and Apologetical TheologyEdinburg Theological Seminary

The story in this book is not about how one man against all odds took his family halfway around the world from Siberia to America. This is about how God reveals his wisdom, power, and knowledge in our present, everyday lives!
